### CONTROLLED RELEASE NITROGEN PLUS BORON NUTRITIONAL LIQUID CONCENTRATE

#### GUARANTEED ANALYSIS

Total Nitrogen (N).....12.00%  
 6.00% Urea Nitrogen  
 6.00% Water Soluble Nitrogen\*

Boron (B).....5.00%  
 Derived from borates, urea, methylene diurea and methylene ureas.  
 \*6.00% Slowly Available Nitrogen from methylene diurea and methylene ureas.  
 1 gallon contains 0.5 pounds of elemental Boron (B) and 1.24 pounds of Nitrogen (N).

**KEEP OUT OF REACH OF CHILDREN**

### WARNING

**USE WITHIN 9 MONTHS FROM DATE OF PURCHASE.  
 MAY CAUSE IRRITATION. HARMFUL IF SWALLOWED.**  
 Contains Boron. Do not use on plants sensitive to Boron. Use of Boron on crops other than those recommended may result in serious injury to the crop.  
 See Inside Panel for Additional Precautionary Statements.

SN 0306/0407 WT. PER GAL: 10.42 lbs (4.73 kg)

#### PRECAUTIONARY STATEMENTS

### CAUTION

**BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.**

Avoid contact with formulated product. Do not take internally. Avoid contact with or inhalation of the spray mist. Do not apply this product in such a manner as to directly expose workers or other persons. If product is being mixed with pesticides and/or spray adjuvants, follow all precautionary statements on the accompanying product(s) labeling. Harmful if swallowed. Avoid contact with eyes and prolonged contact with skin to avoid irritation. Wear resistant gloves. Not for human or animal consumption.

#### WHAT TO DO IN CASE OF CONTACT:

**IF SWALLOWED:** Drink large volumes of water (2 to 4 glasses of water). Do not induce vomiting. Obtain medical attention immediately.

**IF IN EYES:** Flush eyes with water for 15 minutes, holding eyelids open. Obtain medical attention if irritation develops.

**IF ON SKIN:** Wash skin thoroughly with soap and water. Get medical attention if irritation develops.

**IF INHALED:** Move to fresh air. Obtain medical attention if irritation develops. If contact is made with the spray solution containing pesticides, follow the "Statement of Practical Treatment/First Aid" on the pesticide label.

#### GENERAL INFORMATION

0.403 lbs/gal of Nitrogen, out of 1.24 lbs/gal of the total Nitrogen in this product, is controlled release. This product is recommended for use as a supplement to a regular fertilizer program only. Foliar fertilization is intended as a supplement to a regular fertilizer program and will not by itself provide all the nutrients required by crops or other intended plants.

**CORON® 12-0-0 Plus 5% B** is a patented formulation combining a unique foliar fertilizer that contains amino modified methylene urea and boron. **CORON® 12-0-0 Plus 5% B** is intended as a supplement to a regular fertilizer program and will not, by itself, provide all

Disclaimer: Always refer to the label **on the product** before using Helena or any other product.

of the nutrition needs for a crop. However, it can improve the general plant condition by providing safe effective foliar nitrogen and boron.

**PRECAUTION:** Use of this product in accordance with label directions is not expected to adversely affect normal vegetative and/or reproductive growth in most situations. However, various environmental and agronomic factors, such as crop stress associated with high temperatures and/or dry conditions, make it impossible to eliminate all risks associated with the use of the product; therefore, crop injury is always possible. The user assumes all risks of use and handling. In an effort to reduce the risk of crop injury, apply early morning or late evening.

#### GENERAL RECOMMENDATIONS

**CORON® 12-0-0 Plus 5% B** may be applied by air, ground or through irrigation systems. Use enough water for thorough, uniform coverage of foliage or soil. **CORON® 12-0-0 Plus 5% B** is compatible with most pesticides and other fertilizers, but a "jar test" is recommended for unfamiliar tank mixes to ensure compatibility.

The following is a guide for the use of **CORON® 12-0-0 Plus 5% B** as a plant nutrient. Rates and frequency of application will depend on individual management programs. Use of **CORON® 12-0-0 Plus 5% B** on any crops not listed on this table must be as a result of recommendations from your local agricultural authority.

#### **ALFALFA, SUGAR BEETS, TREE and FRUIT CROPS, VEGETABLES<sup>(1)</sup>**

|                                     |   |
|-------------------------------------|---|
| Alfalfa <sup>(2)</sup>              | Apply 1 – 2 quarts per acre.  |
| Sugar Beets <sup>(2)</sup>          | Apply 1 – 2 quarts per acre.  |
| Tree and Fruit Crops <sup>(2)</sup> | Apply 1 – 4 quarts per acre. DO NOT apply at early bloom through fruit set. |
| Vegetables <sup>(2)</sup>           | Apply 1 – 2 quarts per acre.  |

#### **COTTON**

**CORON® 12-0-0 Plus 5% B** can provide safe and effective nitrogen and boron for cotton plants. Apply 1-4 quarts of **CORON® 12-0-0 Plus 5% B** per acre (or as recommended by your local agricultural authority) in sufficient water to ensure thorough coverage.

#### **SOYBEANS<sup>(3)</sup>**

**CORON® 12-0-0 Plus 5% B** provides safe effective nitrogen and boron to soybean plants. While useful as general nutritional supplement, **CORON® 12-0-0 Plus 5% B** can be applied at full bloom to early pod set to enhance fruit development and enhance yield. Apply 2-4 quarts per acre (or as recommended by your local agricultural authority) in sufficient water to ensure thorough coverage.

**Note (1) FOR USE IN WISCONSIN:** **CORON® 12-0-0 Plus 5% B** can be applied to crops commonly grown in Wisconsin and requiring a medium to high level of boron.

**Note (2)** Use in accordance with recommendations of a qualified individual or institution, such as, but not limited to, a certified crop advisor, agronomist, university crop extension publication, or apply according to recommendations in your approved nutrient management plan.

**Note (3)** Not for use on Soybeans in Wisconsin.

#### **CONVERSION CHART**

The following chart can be used as a guide for applying the correct rates of **CORON® 12-0-0 Plus 5% B:**

| Pounds of Boron (B) to be applied per acre | Amount of CORON® to be applied per acre |
|--|---|
| 0.1  | 26.0 ounces                             |
| 0.2  | 3.2 pints                               |
| 0.25                                       | 4.0 pints                               |
| 0.50                                       | 1.0 gallon                              |
| 1.00                                       | 2.0 gallons                             |

#### **STORAGE AND BLENDING INSTRUCTIONS**

Store unblended material in closed container between 35°F and 90°F. Do not store in unmarked containers. Dilute with water and blend with other nutrients and pesticides only at the time of application and in the amounts required.

#### **TANK MIXING**

Add ½ total water to the tank.  
 Turn on recirculation line.  
 Add prescribed amount of **CORON® 12-0-0 Plus 5% B** to tank.  
 Add liquid flowable materials.  
 Add any soluble powders.  
 Bring water to volume and recirculate before spraying.

#### **CONDITIONS OF SALE - LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES**

**Read the Conditions of Sale - Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.**

This label is believed to be reliable and should be followed carefully. Injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to

## SPECIMEN LABEL

crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
