

# Weed Control You Can Depend On...Year Round.

*Eliminate weeds and unsightly grasses with the power of Celsius & Dyne-Amic.*

## Celsius®

## Dyne-Amic®

Unlike traditional herbicides, Celsius can be used year round, even at high temperatures. Celsius, the newest generation post-emergent herbicide, effectively controls over 100 weeds, including several hard-to-control grasses and broadleaf weeds.

Maximize the value of your herbicide investment with Dyne-Amic. It provides thorough coverage and penetrates plant tissue for faster uptake and excellent results.
